Programs Set For 1965-66 Forum Series

For the 21st season, the Marshall Community Forum has scheduled ten talent-filled programs in 1965-66.

All the shows will be presented in air-conditioned Old Main Auditorium at 8:30 p.m. Opening the season on Oct. 25 will be Obratsov and his internationally famous puppets in an adult program of satire, songs, and stories. John Gunther, author of "Death Be Not Proud," has acclaimed the Obratsov show, "by all odds, the finest puppet theatre in the world."

On Nov. 18, in cooperation with the U.S. State Department, "The Little Angels" from the Republic of Korea will portray the culture of the Orient, dancing in costumes whose origins date back 2,000 years.

Two weeks later, Nov. 30, William Patterson will bring Oliver Wendell Holmes Jr. to life on the stage.

A travelogue follows on Dec. 7, with Robert Davis narrating "Incredible Iceland," a color film featuring Iceland's waterfalls, hot springs to heat houses, glaciers and beautiful landscapes.

The first show of 1966 will fill the auditorium with song and dance as 22 singers, dancers, and instrumentalists from Ireland appear in "Feis Eireann" a panorama of the soul of the Emerald Isle.

"Yankee Sails Nile" is the title of the film that Captain Irving Johnson will show Feb. 1. The picture depicts the last trip by a foreign vessel before a new dam changes the historic river's course.

The National Players, who presented Shakespeare's "The Twelfth Night" earlier this semester in an Artists Series program, will appear March 3 in "Romeo and Juliet."

A well-known figure in American journalism, Sander Vanocur, political and White House correspondent for NBC, will report on "The State of the Nation" March 12.

A film in natural color about the pageantry of the Orient will be shown April 2. The film "Japan Panorama" will be narrated by Alfred Wolff.

Concluding the season on April 16, Thomas Green will narrate "The Rockies," a travelogue about the Rocky Mountains, the backbone of a continent and two nations, extending from the Mexican boundary to Canada.

NURSING DINNER PLANNED

Seniors in the School of Nursing will be honored at a dinner in the Campus Christian Center tomorrow at 6:30 p.m.

In addition to a chicken dinner, a program including speakers, a skit and the presentation of the senior nursing class has been planned by the sponsors of the affair, the freshman members of the Student Nurses Association.

Nine Are Tapped For Fagus

FAGUS, SENIOR WOMEN'S honorary, recently tapped nine junior women for membership. They are (from left) back row: Jane McCaskey, Huntington; Jennifer Nagle, Huntington; Carolyn Fleming, Huntington; Rose Marie Frecka, Ironton, Ohio, and Lynn Slavin, Huntington; Front row: Nancy Harmon, Huntington; Joan Fleckenstein, Huntington; Cathy Imbrogno, Charlton Heights, and Carolyn McDonel, Wise, Va.

'Chief Justice' Ready In June

The 1964-1965 edition of the Chief Justice will be available to the students in June, according to David Dodrill, director of information.

Those graduating seniors who wish to have their copies mailed to them shall deposit 65 cents at the Business and Finance office to cover handling costs.

The two reasons that Mr. Dodrill gives for the yearbook being late is the changeover in the staff and the copy being late.

The changeover of the staff came at an inopportune time—at the beginning of the year. The staff was also late in getting started on the actual make-up of the yearbook.

The composite pictures from the different social organizations which were late also held up the book.

Mr. Dodrill, who is editorial advisor to the Chief Justice, considers the quality of this year's edition quite good.

"There are twice as many color pages this time, although there are fewer total pages," he said. "There is no advertisement due to the staff changeover."

"The pictures in this year's edition are used more effectively," Mr. Dodrill said, "and there are several more full page pictures."

To get a free copy of the Chief Justice, a student must be a full time student for the two semesters the book covers.

If one has only been enrolled for a semester, he may receive a copy for \$2.25. A part time student is ineligible to receive a copy.

JOSEPH OKUNLOLA

Farewell Party Given Okunlola

A recognition and farewell luncheon will be held today in the downstairs Dining Hall in honor of Joseph Okunlola, educator and administrative intern from Nigeria, who arrived on campus in November to study administrative practices.

The invitational luncheon will be attended by Dr. Kenneth Barker, associate executive secretary of the American Association of Colleges for Teacher Education, who is visiting the campus to discuss with Mr. Okunlola his year at Marshall. This association is in charge of the national program of administrative internships.

Dr. Barker will present a speech concerning the total administrative internship program at the luncheon. President Stewart H. Smith will give the farewell speech in honor of the Okunlolas and present Mr. Okunlola with a plaque in recognition of his distinguished achievement at Marshall.

Dr. Harold E. Walker, vice president in charge of academic affairs, will honor Mrs. Okunlola for her achievement in the work she has undertaken at Marshall since her arrival.

Speech Teams Take 3 Honors

Marshall University won honors in three events at the West Virginia Intercollegiate Speech Festival at Jackson's Mill last weekend.

Ralph Hensley, Ashland, Ky., senior, won first place in the men's division of radio announcing. Second place was taken by Paul Smith, Huntington sophomore, in the oratory contest.

"The best affirmative debate team" trophy went to Ronald Jarrell, Point Pleasant sophomore, and Mike Engle, Charleston sophomore.

Marshall's negative debate team consisted of Stephen Edington, St. Albans sophomore, and Lowell Adkins, Huntington sophomore. They scored three wins to tie with Fairmont College for "the best negative team", but the tie was broken in favor of Fairmont on the basis of individual speaker points.

In other contest events, Marshall was represented by Mike Farrell, Huntington freshman, in extemporaneous speaking, and by Lynn Carroll, Milton junior, in the women's radio division.

In non-contest divisions, Carol Hart, Huntington junior, read selections for the interpretation of poetry and Rebecca Leses, Kenova sophomore, took part in the prose event.

"The Barretts of Wimpole Street" was presented by Lynn Slavin, Huntington junior; Jeff Cowden, Williamson senior; and Priscilla Cox, Miamisburg, Ohio, junior. The play was directed by William G. Kearns, assistant professor of speech, while Susan Marushi, Logan junior, acted as his assistant.

Miss Slavin was selected for the all-state cast in the drama division.

3 Twirlers, Majorettes Are Chosen

By DANNY WATTS
Staff Reporter

A champion twirler from Florida, a champion drum major from Kanawha County, and a total of over 130 medals and trophies will be represented in next year's drum major and majorette corps of the Big Green Marching Band.

Feature Twirler Chosen

In tryouts held on the music building lawn last Saturday, Carla Rae Bell (no relation to Big Green Band Director Howard L. Bell), from Andrew Jackson High School in Jacksonville, Fla., was selected as feature twirler. Danny Oakes, the Kanawha County champion drum major from East Bank High School, and Roberta Ann Tygrett, Wayne sophomore and one of last year's majorettes, were selected as the new feature twirling duet.

Drum Major Back

Head drum major Dale Grimm, Letart sophomore, will be back again next year and assisting him will be Paul Harris from Du Pont High School, "an outstanding drum major" in the words of Prof. Bell. Huntington sophomores Ann Richardson and Sharon Gaddy, members of last year's corps, will also be back again.

New majorettes selected in competition including over 20 participants were sophomores Betty Sue Chafin from Matewan; Becky A. Molloy from Dunbar; Gloria Pritchard from Mullens; Marla Tout from Wellsburg; Sharon Wsyatcki from Follansbee; and incoming freshman Rosemary Fisher from Ripley High School. The alternate is Mary Isinghood, Wellsburg sophomore.

The majorettes and twirlers were selected by a committee consisting of the three band directors, Dale Grimm, drum major and Earline Sizemore, Logan senior, this year's head majorette.

Letters To The Editor

(Editor's Note: The Parthenon welcomes letters to the editor. The Parthenon editors reserve the right to edit letters in accordance with the West Virginia laws of libel, good taste and space available.)

Dear Editor:

We have become very alarmed at the appearance of a letter from Stephen Di Berhowitz in last Wednesday's edition of The Parthenon. We would like to remind the students of Marshall University of the strategic importance of South Viet Nam in the preservation of freedom to the people of the world.

First, should we withdraw our forces from Viet Nam the Viet Cong will immediately overthrow the government of the small republic. This will create a geographical link between Communist China and Sukarno's Communist Indonesia. The remainder of the free countries Southeast Asia will be cut off from any outside aid, and will, one by one, be conquered by the superior Communist force. Laos, Burma, and Cambodia; already under partial communist control; will fall. Malaysia, and Thailand will be conquered. This will leave open, India, a militarily weak country, to Communist aggression. The Republic of the Philippines will then be exposed. The it can be supposed that Formosa, South Korea, and Japan could easily be conquered.

Our second wish is to remind our fellow students that our soldiers are bravely giving their lives in the cause of freedom. To us the war is remote; to the South Viet Namease it is real. With more than half of the countries of the world under communist control can we defend our own borders. Also we must realize that the loss in national prestige would be tremendous should we withdraw. Where is the old American spirit that sent "Black Jack" Pershing and the AEF to France in 1917 to protect a country's independence?

We hope that these few facts will convince you not to rally to Br. Berhowitz and his "committee," but protest the "teach-ins." We cannot advocate the spread of Communism. There is no better time than now, just after Armed Forces Week, to rally behind our government and support its policies. Our future depends on it.

Dear Editor:

As a first semester student at Marshall, I have found many things lacking on campus. Of course, it's been six years since I attended an institution of higher learning and I realize things do change. Then too, when I last attended, I was at Ohio State University, which is considerably

larger than Marshall. Of all the shortcomings of Marshall though, there is one ray of light, one hope of a forward-looking campus in the well-planned, efficiently executed Alumni Weekend. Much hard work (sweat, blood and tears) go into any well done event. It is evident that the students want to please the parents and alumni who take the time to attend the weekend festivities, and they are to be commended, not condemned for their interest.

In reference to your editorial concerning the Mother's Day Sing on campus I quite agree that the fraternities and sororities spend too much time in practice sessions preparing for the event . . . however, not have competition? Isn't this a little drastic? This sing is as much for the students as it is for the alumni, and without the added incentive of competition and a trophy for the winners, chances are the whole program would degenerate into a slipshod, poorly run farce as are most other campus activities. Competition gives the students a goal, a purpose to aim for in singing. Do away with the competition and you've done away with one of the prime motivators, and you might as well do away with the sing itself.

More stringent rules regarding practicing, type of songs to be sung, length of selections and any other pertinent factors deemed necessary would most likely be a boon to both students and visiting parents and alumni. However, to cut out competition all together would be like cutting your nose off to spite your face.

Don't let the Mother's Day Sing and in fact the whole weekend degenerate . . . keep it the high-level activity it is and has been.

Gallipolis, O. sophomore

\$14,429 Granted Summer Research

Research funds from the Bendum Foundation Grant totaling \$14,429 were awarded 13 faculty members by the Marshall Research Board for summer research. The funds will again be used primarily for research in the fields of English and the sciences.

Those receiving the grants and their projects were: Dr. Ned D. Heindel, assistant professor of chemistry, "A Study of the Light-Catalyzed Oxidative Cleavage of 1, 2 - Dihydroxylated Compounds;" Dr. Edward S. Hanrahan, assistant professor of chemistry, "Hydrogen Bonding in Malonic Acids;" Dr. M. R. Chakrabarty, assistant professor of Chemistry, "Electron Exchange Reaction between Co (II) and Co (III) Complexes;" Dr. John A. Chisler, assistant professor of botany, "Stimulation of Oxygen Uptake in Phytopathogenic Fungal Cells by Antagonistic Sym-

bionts and by Culture Medium Components;" Dr. Jon P. Shoemaker, assistant professor of zoology, "A Survey of the Vectors of Chagas' Disease in West Virginia;"

Dr. Ronald G. Rollins, assistant professor of English, "Sean O'Casey's Dublin Trilogy;" Dr. Walter H. Perl, professor of German, "Edition of the Correspondence: Hugo van Hofmannsthal and Leopold Andrian;" Dr. Soo Bock Choi, assistant professor of political science, "Communism in North Korea;" Dr. Ben W. Hope, professor of speech, "The Development of Text and Case Materials to be used in the teaching of Argumentation;" Clayton Page, associate professor of speech, "A Study of a Proposed Theatre Program which will be of Optimal Educational Value and Provide Strong Cultural Influence Upon the College Community and Its Environs;"

Dr. Hunter Hardman, professor of mathematics, "Transformations in a Complex Three-Space Interpreted in a Real Argand Six-Space;" Dr. Eddie C. Bass, assistant professor of music, "Thematic Procedures in the Large Scale Choral-Orchestral Works of Berlioz;" and Dr.

George Ward II, associate professor of psychology, "A Comparison of Analytical Procedures for Predicting Initial College Grade Point Average and Consequent Grade Point Average."

Drs. Hardman, Rollins, Heindel, Hanrahan, Chakrabarty, Hope, Ward, and Chisler will carry out the research in Huntington or on campus. Dr. Perl will be working in Huntington and at the libraries of New York, Boston and Cincinnati; Dr. Choi at the Department of State and the Library of Congress, and Dr. Bass at the University of North Carolina.

Dr. Hope will work both in Huntington and at other libraries; Clayton Page at other libraries and visiting drama and speech departments, and Dr. Shoemaker on campus and in field work in southern West Virginia.

Marshall has received two previous grants from the Bendum Foundation for summer faculty research. In the summer of 1963 a \$7,500 grant was accepted and a \$10,000 grant for the summer of 1964. The latest grant, awarded to Marshall on March 22 of this year, was for two years in the amount of \$15,000 per year.

Senate Meeting Lasts 17 Minutes

The Student Senate deliberated Wednesday in the Science Hall Auditorium—for 17 minutes.

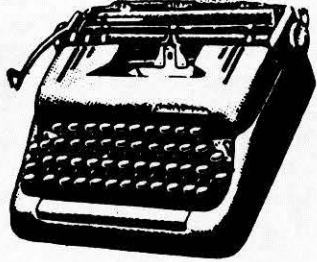

The only business conducted by the legislators was approval of Huntington junior Jean Diehl's resignation as commissioner of social affairs "as a result of unforeseen circumstances and attitudes." Also, Paul Blaum, Hamilton, Ohio junior, was ratified as a member of the Student Conduct and Welfare Board.

Military Batallion Closes Activities

Cadet Sgt. 1/C James DeFoe was chosen cadet of the semester by members of the ROTC battalion recently. To be chosen, a cadet must exhibit outstanding qualities of leadership and bearing, and be well read in military science.

The battalion held its deactivation ceremony yesterday at 11 a.m. in Old Main Auditorium. Brief addresses were given by Lt. Col. Patrick H. Morgan, professor of military science, Cadet Col. Paul J. Mayer, Wheeling senior and battalion commander. M. Sgt. Richard R. Giles read the deactivation order. The colors were "cased," or covered up, thus ceasing all Army activity on the campus for the summer.

Hicks Sparks Track Team To First Win Of Season

By DAVID COLLINSWORTH
Sparked by another record-breaking performance by George Hicks, Marshall's track team averted a winless season with a 79-41 victory over West Liberty Saturday at West Liberty.

The meet was scheduled to be a triangular affair with Concord being the third team. However, Concord did not enter due to travel difficulties.

Hicks soared over six feet, four and one-half inches in winning the high jump to break the Marshall school record for the third time this season.

The Big Green won 10 of the 15 events including both relays. It led all the way in picking up its first win against three defeats in dual meet competition.

Bob Bloom and Mickey Jackson scored double victories in the meet for MU. Bloom won the broad jump with a leap of 21 feet, seven and three-fourth inches, and the 180-yard low hurdles in the time of 20.7. Jackson placed first in the 100 and the 220 with times of 10.3 and 23.6, respectively.

Other Marshall winners were Earl Jackson in the 440-yard dash (52.3); Gary Prater in the 880-yard run (2:07.4); Arthur Miller in the 120-yard high hurdles (16.5); the 880-yard relay team of Richard Dillon, Steve Mays, Bloom and M. Jackson (1:35.4); and the mile relay quartet of E. Jackson, Miller, David Hansen and Mays (3:42).

THE MARSHALL track team celebrates its first victory of the season by preparing for the MAC track meet at Athens, Ohio. They downed West Liberty last Saturday 79-41 for the win.

Tau Kappa Epsilon No. 1 Wins Crown

Ex-MU Star
FORMER MARSHALL basketball and baseball star, Charles "Mickey" Sydenstricker, has been promoted to Risk Appraiser in the East Central Office of State Farm Insurance Company.

Pikes 1st And 2nd In Aerial Darts

Pi Kappa Alpha No. 1 captured the 1965 intramural aerial darts championship by defeating Pi Kappa Alpha No. 4 two of three games.

The winning Pi Kappa Alpha No. 1 team was composed of Tom Langfitt, Jim Odum, Fred Hammers, Bill Whetsell, Bennis Hale, and Jim Taylor.

Tau Kappa Epsilon No. 2 took third place in aerial darts while Tau Kappa Epsilon No. 4 finished fourth.

During the aerial darts tournament, 18 games were played. There was also 12 teams in the tournament and 120 contestants.

Intramural shuffleboard for the 1965 season was won by LeRoy Eckley and Dennis McGhee of Sigma Alpha Epsilon who defeated Danny Dean and Somchai Sutikulphanit of Tau Kappa Epsilon.

Third place was taken by Jim Eisenbraun and Lawrence Rogers of Kappa Alpha and Tom Camden and Frank Martin of Sigma Alpha Epsilon finished fourth.

There was 64 games played in shuffleboard during the year and 120 contestants participated.

Diamond 9 Is Cellar Dweller

Already doomed for the Mid-American Conference's cellar, Marshall's baseball team hosts Miami University in a season-closing series Friday and Saturday at St. Cloud Commons.

The Big Green lost its battle to get off the bottom of the standings last weekend, dropping two straight to Toledo by identical 11-4 scores. Now 0-10 in the MAC, the best Marshall can do is tie the Rockets for last with a sweep over Miami.

A combination of a surprisingly strong hitting attack by Toledo and poor fielding and hitting by Marshall spelled defeat for the Big Green.

The Rockets, usually weak at the plate, had a field day against Marshall pitching, banging out 29 hits in the sweep. MU, on the other hand, was held to nine safeties and its leaky defense committed 11 miscues.

In Friday's game Marshall went seven and two-thirds innings without a hit off TU's Dave Bakensto. Catcher Lowell Leach spoiled the no-hit bid with a triple on a misjudged fly ball. Tom Langfitt and Danny Hartley collected Marshall's other hits.

Hartley and Langfitt were again the sluggers Saturday, collecting four of seven safeties. John Mullins suffered his eighth loss in nine decisions, allowing nine hits and five runs before being relieved in the sixth inning.

Marshall, on a six-game losing streak, entertained Marietta Tuesday in an effort to better its 6-16 overall record.

Tennis Club Will End Season

Finishing the regular season with a 5-8 mark, Marshall's tennis team prepares for a busy weekend in the Mid-American Conference Spring meet at Athens.

The Green netmen closed out their season Saturday with a 6-1 loss to the University of Cincinnati at Cincinnati.

Pushing across two unearned runs late in the game, Tau Kappa Epsilon No. 1 grabbed the 1965 intramural softball championship by edging New Men's Dorm No. 1 last Friday, 6-5.

New Men's Dorm No. 1, who had beaten Tau Kappa Epsilon No. 1 earlier in the season, 11-7, seemed on its way to another victory when Keith Skidmore's and Keith Haney's grounders were misjudged which let in the tying and winning runs.

The winning Tau Kappa Epsilon squad was lead in hitting by Steve Sydnor and Chuck McKenzie. They each had a single and a double.

New Men's Dorm was lead by Bill Armstrong who had three hits including a double. Bill Dankmyer and Woody Wilson added two singles apiece for the losers.

Tau Kappa Epsilon ended the season with a 5-1 record. In the tournament they defeated Kappa Alpha No. 2 and Pi Kappa Alpha No. 2 before entering the finals.

Runner-up New Men's Dorm ended the season with a mark of 4-2. Before getting to the finals they beat the Rinky Dinks and Kappa Alpha No. 1.

Kappa Alpha No. 1 captured third place in the single elimination by beating Pi Kappa Alpha No. 2, 9-5.

In its first tournament game, Tau Kappa Epsilon No. 1 was beaten by the Vikings 9-8 but protested the game because the Vikings used an ineligible player. The protest was upheld against the Vikings and they were dropped from the tournament letting Tau Kappa Epsilon continue in their place.

During the softball tournament, 12 teams participated and 11 game were played.

straight victory by downing John Hobe 11-9, 6-0. But after that it was all Cincinnati.

In the No. 1 singles match, the Bearcats' Ray Kiessling defeated MU's Wayne Wookey, 6-0, 7-5.

Ending a five-match winning streak, Marshall's Gary Jefferson dropped a hard-fought decision to Larry Reynolds, 6-3, 3-6, 6-4.

The final two doubles matches were rained out.

\$14,400 Is Granted For Chemistry Aid

Dr. John H. Wotiz, chairman of the Chemistry Department, has announced that two grants totaling \$14,400 have been awarded the Chemistry Department.

The United States Atomic Energy Commission has awarded \$10,000, and the National Science Foundation \$4,400 to the department. Both of these grants are to be used in the purchase of new equipment for the Chemistry Department.

Dr. Wotiz said that the department did not receive another grant that they had applied for from the National Science Foundation. This grant was for \$28,000 for the purchase of a nuclear electromagnetic resonance spectrometer needed by both the chemistry and the physics departments.

Xavier last weekend. The score of the match was 17-1.

Joe Feaganes, Huntington junior, and George Somich, Allentown, Pa. senior, led the Green with identical par 72 rounds and winning scores of 3-0. Somich, playing in his last home match, won over Ed Vondohre and Feaganes downed Tom Simmons.

Dick Shepard, Huntington sophomore, won the number one match from Greg Lalonde firing a 74, and also taking three points from his opponent.

Bill Spensky, Weirton junior, and Dave Herndon, Stollings junior, also won three points in their matches. Spensky shot a 76 while Herndon's tally was 77.

Pete Donad, Huntington sophomore, won the other match shooting a 77 and winning two points while giving up one.

The Thundering Herd finished up their season as the only winning spring sport. Their record of 12 wins and seven losses is compared to the 5-8 record of the tennis team and a 6-16 record of the baseball team.
